A bright, sunny day at a university. In the foreground, pink cherry blossom branches frame the top and left sides of the image. A green lawn stretches across the middle ground, where three students are sitting on the grass, talking. To the right, a modern brick building with large glass windows stands under a clear blue sky. A paved walkway leads from the left towards the building, with more cherry blossom trees lining the path.

¿COMO?

A black and white collage of numerous women, many with angry or determined expressions, holding various tools such as axes, saws, and hammers. The women are dressed in mid-20th-century clothing. The background is dark, and the overall composition suggests a theme of female empowerment or protest.

¿QUE NOS HACE DISTINTOS?

The background image shows a laboratory or industrial setting. Two large, orange robotic arms are visible, with the word 'FABUNDRY' printed on one of them. Two young men are standing in the background; one is holding a tablet. The scene is lit with warm, orange-toned lights. A semi-transparent dark band runs horizontally across the middle of the image, serving as a background for the text.

PROTOTIPOS

A large crowd of people is seen from behind, looking towards a bright light source, possibly a stage or a large screen, under a blue sky. The crowd is dense, and many people have their arms raised. The text "MEDIDAS DE EMERGENCIA" is overlaid in white, bold, uppercase letters on a dark horizontal band across the middle of the image.

2 EJEMPLOS

The background of the slide is a collage of two images. The left image shows a robotic arm in a factory setting, with various mechanical components and cables visible. The right image shows a group of students in a laboratory or classroom, gathered around a computer monitor, looking at the screen with interest. The students are wearing casual clothing, and the environment appears to be a modern educational or research facility.
